Guide to Tokyo's Locavore Restaurants

TOKYO METROPOLITAN GOVERNMENT

# The Tokyo Metropolitan Government supports restaurants contributing to local production and consumption.

## Establishments registered

"Tokyo's Locavore Restaurants," operate in the central 23-ward area and Tama area in western Tokyo, and engage in the following initiatives.

- Strive to use locally sourced ingredients throughout the year.
- Provide customers with information on local products from Tokyo that they use
- Carry out initiatives that facilitate local production and consumption
- Will further their use of Tokyo ingredients into the future
- Will cooperate with Tokyo's measures for food education and local production and consumption
