(Shibuya Dogenzaka Tokyu Bldg. 1F)

* Relocated Shibuya Satellite Center

The Tokyo One-Stop Business Establishment Center is Japan's first organization to provide unified support for all the necessary procedures for founding a company in Japan. From April 2018, the Shibuya Satellite Center consultation desk will relocate to Plug and Play Shibuya. To commemorate this event, a special guest from METI and the director of Plug and Play will be invited to hold a panel discussion on "invigorating the start-up scene in Tokyo."
